Note:

1. The list of 4 other documents as indicated above is only tentative and given to the best of our judgement .You need to go through the All Farm Base Module clause wise and list out the requirements on your own to avoid non conformances during inspections. (www.qcin.org)
2. The templates uploaded in this section for your reference, which are generic for your understanding . You need to prepare documents as applicable to your crop, your quality management system and as per your local conditions
3. Producer or Producer Group is advised to go through the actual/updated requirements of the Standard Requirements: All Farm Base
4. Template Record Preparation Date : September 01st 2022
