

## Confidentiality and Conflict of Interest Declaration

Declaration of confidentiality:

I, being an employee of the laboratory involved in the sampling and analysis and reporting, shall maintain the confidentiality and shall not disclose any such information to any third party, other than as required by law, without the prior consent.

Declaration of Conflict of Interest:

I shall not undertake any such activity that shall compromise the impartiality, confidentiality and independence of the sampling and analysis and reporting pertaining to analysis of a client. In case, if any foreseen conflict of interest arises, I shall inform the same.
