

Labeling Requirements

- I. Labelling shall convey clear and accurate information on the organic status of the product.
- II. When the full standards requirements are fulfilled, products shall be sold as "produce of organic agriculture" or a similar description.
- III. The label for conversion products shall be clearly distinguishable from the label for organic products by mentioning the year of conversion.
- IV. The name and address of the person or company legally responsible for the production or processing of the product shall be mentioned on the label.
- V. Product labels should list processing procedures, which influence the product properties in a way not immediately obvious. All components of additives and processing aids shall be declared.
- VI. Additional product information shall be made available on request.
- VII. Ingredients or products derived from wild production shall be declared as such.
