

ABOUT THE STANDARD: WHO THEY ARE

The Rainforest Alliance is an international non-profit organization working at the intersection of business, agriculture, and forests to make responsible business the new normal. They are building an alliance to protect forests, improve the livelihood of farmers and forest communities, promote their human rights and help them mitigate and adapt to the climate crisis.

Rainforest Alliance is creating a more sustainable world by using social and market prices to protect nature and improve the lives of farmers and forest communities.

Rainforest Alliance is present in 70 Countries with sustainable projects or certified farmers as of December 2020

You can access the Rainforest Alliance Sustainable Agricultural Standard -Farm Requirements standard and its requirements from the site www.rainforest-alliance.org or contact info@ra.org
